

Spring 2017 VPR Workshops

Grant Writing Workshop

Friday, February 24, 383 Gatton, 1:00 - 5:00 pm

Who should attend: New faculty, anyone who would like an introduction to any of the specific funding agencies, NIH investigators who need to know more about newer NIH grant requirements for rigor and reproducibility.

Each workshop will be free-standing so attendees may come to the sessions that best fit their interests.

1:00 Grant Writing Strategies for NIH

Craig Rush, Professor, College of Medicine

2:00 Changes in accountability and rigor for NIH grants

Greg Gerhardt, Professor, College of Medicine

3:00 Grant Writing Strategies for NSF

Martha Peterson, Professor, College of Medicine and Assoc VPR

4:00 Grant Writing Strategies for DOD/DOE

Rodney Andrews, Director, CAER and Assoc VPR
