NIH or Federally Funded W/UKHC Billing	Yes	Optional	Yes			Yes
Some studies with billable No EHR tracking*	Yes	Optional		Yes		Client Account Only
Studies with no UKHC billable items	Yes			Yes		

***Billable no EPIC tracking:** i.e., a participant not a patient of UKHC may require one time service such as a lab – these may utilize the client account but with prior approval by UKHC rev. cycle.

Billable: means any item or service performed at a UKHC facility or personnel – regardless of the funding source – this is to track UKHC services that need to be paid with research funds or that are conventional care.

Federally funded studies may only require Subject Milestones and no detail visit entry.
